WELCOME AMR MANAGEMENT SERVICES

In July, FNINR welcomed new management. With the retirement of Susan Dove and the closure of Susan Dove & Associates, FNINR chose AMR Management Services as their full-service management and staffing partner. "The transition has been seamless, and the Board is pleased to be engaged with AMR Management Services, a leading association management firm," said Connie Delaney, FNINR President.

Delaney noted that AMR launched a new [website for](#)

[FNINR](#) within a month of the management change and that FNINR welcomes enhanced technological capabilities for the organization, including email tools and online registration forms for the NightinGala and Friends program.

The FNINR Board will hold a strategic planning meeting with AMR in February 2020; social media, marketing and other updates to programming for the organization will be discussed.

NIH VISIT

On Tuesday, October 22, 2019, several members of the FNINR Board and Ambassador program toured the facilities of the NINR and participated in a poster session covering current NINR research projects.

2021 AMBASSADORS

The next cohort of FNINR Ambassadors will begin in January 2021. Applications for this cohort will be posted in early fall of 2020.

Ambassadors engage Congressional leaders to advance visibility of the high-impact and cost-effective treatments and quality-of-life enhancements that emanate from nursing science. Ultimately, their goal is to support increased research funding to ensure the training of scientists at a time of major scientific breakthroughs and to promote the NINR mission and strategy.

Please encourage your colleagues to apply for this important program next year!

NURSING RESEARCH Making a Difference

ADVANCEMENTS IN FUNDING FOR NINR

The Senate Appropriations Committee released its draft 2020 spending bill on September 18, 2019. The bill included an increase of \$9.425 million for NINR's budget, up to \$172.417 million.

The Friends of the National Institute of Nursing Research appreciates the support for NINR from the Senate Appropriations Committee and looks forward to the boost in research this would provide to organization.

A program to support the mission of NINR by becoming a “Friend of the Friends” with your donation.

An opportunity to honor nurse researchers, nurse leaders who support research, nurse educators who teach research, and community members who value research.

FNINR OFFERS AN EXCITING OPPORTUNITY TO SUPPORT NURSING SCIENCE AND RESEARCH

The Friends of the National Institute of Nursing Research (FNINR) Board is excited to announce the creation of a special program called “Friend of the Friends.”

This program is designed to give each and every person who values nursing research the opportunity to become a Friend and support the mission of FNINR.

WHY BECOME A FRIEND?

By becoming a “Friend of the Friends” you will help advance FNINR’s mission and the mission of science and its role in providing positive outcomes to the health care community.

Your \$100 donation to FNINR will entitle you to receive:

4. Recognition on the FNINR website

Those chosen to be honored by you in this fashion will also be recognized at the NightinGala.

SIMPLY GO TO WWW.FNINR.ORG AND CLICK ON “BECOME A FRIEND”
